

Dear Parent/Carer,

HAPPY HEALTHY HOLIDAYS SOMERSET

Looking for a way to keep your children happy, active and fed over the summer holidays?

I am pleased to inform you that your child is eligible to attend our summer holiday programme, Happy Healthy Holidays. Happy Healthy Holidays Somerset will be running over the summer, with lots of fun summer activity clubs and family days out that include food. Somerset Activity and Sports Partnership is working in partnership with Somerset County Council to provide **FREE** places on a range of exciting programmes and activities.

We will offer a range of exciting activities, such as sports, craft, music and games as well as a healthy meal provided. The programme is available to ages 5-16 years with appropriate activities for all ages. Activities are available throughout Somerset and can be found using our activity finder. We want to assure you that we will still be following the Government's COVID advice as the safety of young people, families and staff is extremely important to us.

After such a long time away from school, we wanted to support children and families by providing some holiday fun, and a healthy meal. The funding is to support pupils who receive free school meals, or would benefit from support for children to access activities and food over the summer.
